1. Dues (2018-19) must be current.
2. Active participation in club activities over the past year is a very important consideration.
3. All other things being equal, those who have not received a waiver in the past will be given priority.
4. If there are more waiver applicants who meet the above criteria than waivers available, the winners will be drawn at random.

Please Note: If you receive a waiver, you will receive a code to use when you enter online. The deadline for applying is February 1, 2019. Good luck to everyone!
